

You expect more. And Formosa delivers.®

At Formosa, we're committed to providing you with consistent resin quality, unsurpassed customer/technical service and reliable delivery – all in addition to our established reputation for overall value.

Consistent Quality. Our research, quality control and applications laboratories ensure that you get the products you need and the consistent quality and run performance you deserve – time after time. Experienced scientists and technicians work to develop new resins and compounds for today's, and tomorrow's, needs.

Unsurpassed Service. Our unsurpassed customer and technical service teams help you find ways to improve your business by optimizing performance, improving consistency and getting the most out of our products – and your equipment. Customers find that conducting business with Formosa is very easy.

Reliable Delivery. Our private rail fleet is the largest in the industry and very reliable. Our online system allows you to monitor the status of your orders and the exact locations of your railcar deliveries, too.

You expect more. And Formosa delivers.®
