**Re: TSCA Inventory Reset Rule**

Dear Valued Customer:

In accordance with the U.S. EPA Toxic Substances Control Act (TSCA) "Inventory Reset Rule" (82 FR 37520), Formosa Plastics Corporation, U.S.A. has reviewed all of the chemicals manufactured or imported by the company. We confirm that all manufactured or imported chemicals are on the TSCA "active" list or have been registered in the EPA CDX database.

As always, *You expect more. And Formosa delivers®*. If you have questions, please contact your Sales Representative.

Kind Regards,

Fred W. Neske, CIH, CSP, CFPS  
Manager – Corporate Safety & Industrial Hygiene  
Formosa Plastics Corporation, U.S.A.
