### Formosa Plastics Corporation, U.S.A. names Ken Mounger as Executive Vice President

LIVINGSTON, NJ (July 22, 2019) – Formosa Plastics Corporation, U.S.A. has named Ken Mounger as Executive Vice President effective July 22, 2019. In his new role, Mr. Mounger will oversee all business and manufacturing operations for the company.

Mr. Mounger joined Formosa in January 1983 and spent his entire 36 year professional career with the company. He has held positions of increasing responsibility during his tenure including the General Manager roles at Formosa's Baton Rouge, Louisiana and Point Comfort, Texas facilities. Most recently, Mr. Mounger served as the Vice President and General Manager of the Polyolefins Division since 2001.

We look forward to Mr. Mounger's leadership as Formosa continues to make innovative and sustainable products for the future.

Formosa Plastics Corporation, U.S.A. is a vertically integrated producer of plastic resins and chemicals. Its polyethylene and polypropylene resins are marketed under the *Formolene*® trade name; its polyvinyl chloride resins are marketed under the *Formolon*® trade name. The company is headquartered in Livingston, NJ, has over 2,400 employees and is certified to the ISO 9001 quality management system and the ISO 14001 environmental management system.
