Formosa Plastics Corporation, U.S.A. Announces Temporary Shutdown of Point Comfort, Texas Plant Site Due to Hurricane Beryl

[Livingston, NJ – 07/08/24] – In response to Hurricane Beryl, Formosa Plastics Corporation, U.S.A. has taken the precautionary measure of temporarily shutting down operations at our Point Comfort plant site.

We are actively monitoring the situation and will take all necessary steps to ensure that our facility is secure and that our team members are safe. Our dedicated crisis management team is working around the clock to assess the impact of the hurricane and to expedite the process of resuming full operations as soon as it is safe to do so.

For further updates and information, please visit our website www.fpcusa.com.
